presents

A Dentist's Perspective

Why I Chose a Specialty

Join us for a special four-part series featuring various ODA dentists speaking about the profession of dentistry, and why they chose a specialty. Learn about various disciplines and gain valuable perspectives and experiences. Interactive Q & A to follow.

Dr. Tracey Hendler, orthodontist, and Dr. Jonathan Madras, endodontist, will provide a perspective into their lives and present their professional/personal insights and challenges in their field. Learn and listen from this husband and wife team who juggle two different professional careers and practices while raising a young family. An inspiring and insightful evening you don't want to miss!

Learn about:

- Why I chose dentistry, specialty vs. general practice
- The challenges and issues faced by specialists
- The benefits and rewards of being a specialist
- Associateship versus ownership
- Education requirements and residency
- Maintaining work / life balance and more....
