A Dentist's Perspective

Why I Chose a Specialty

Join us for a special four-part series featuring various ODA dentists speaking about the profession of dentistry, and why they chose a specialty. Learn about various disciplines and gain valuable perspectives and experiences. Interactive Q & A to follow.

Dr. Deepika Chugh, oral pathology and Dr. Karl Cuddy, oral surgery, will provide a perspective into their lives and present their professional/personal insights and challenges in their fields. Learn and listen about two different specialties during an insightful evening that you don't want to miss!

Learn about:

- Why I chose dentistry, specialty vs. general practice
- The challenges and issues faced by specialists
- The benefits and rewards of being a specialist
- Associateship versus ownership
- Education requirements and residency
- Maintaining work / life balance and more....
