

Remote Areas Program

Looking for a rewarding experience?

[Join the Remote Areas Program!](#)

ODA's RAP delivers care in about 30 communities spread throughout northwestern Ontario, from the Kenora area all the way up to the James' Bay coast, a land mass equal to the size of France.

Oral health needs of First Nations people are extensive and program provides an opportunity to help improve their oral health status

Program pays a per diem, and covers costs such as travel, accommodation cost, and more.
